

PLP is a responsible industrialist committed to environmental protection. Our goal is to integrate all our suppliers in our environmental approach so that our products benefit from eco-design and innovative actions throughout the value chain. By developing long-lasting relationships and partnerships, we can all contribute to the protection of the environment.

OUR BELIEFS:

- Sharing sustainable practices beyond our company.
- Improving our products for more responsible solutions.
- Implementing industrial practices in line with an environmental approach.
- Taking into account risk management in our sphere of influence on a daily basis.
